Hello! I'm Twon and I run www.thereverend.co.uk - my blog about money, tech food and enjoying life! It started in 2016 and is now entering its 4th year.

During 2018 I've had over 140k users, 1.6 million page views and I have an engaged user-base who interact with the blog posts via the comments section.

If you are looking for a money blogger who also loves tech, tea and telly, for your campaign then get in touch via info@thereverend.co.uk and I'd love to discuss the options of working together.
